

FISCAL NOTE

HB 2127 - SB 2194

March 11, 1998

SUMMARY OF BILL: Revises law relative to beer container sizes; repeals law that allows the sale of beer in any size container; provides that beer may be sold in containers holding 22 ounces, 40 ounces, or one gallon or more.

ESTIMATED FISCAL IMPACT:

MINIMAL

Estimates no fiscal impact since it is assumed that the total quantity of beer sold will not increase. The sizes indicated in the bill would be in addition to those sizes already allowed under Department of Revenue regulations.
